DEATH TAKES

A JUNE BRIDE.

Miss Holtzclaw Dies in a Louisville Infirmary After a Short Illness.

A VICTIM OF TYPHOID.

A sad death occurred in Louisville, Saturday, when Miss Florence Holtzclaw became a victim of typhoid pneumonia. It was only a few weeks ago that she was in this city visiting Mr. and Mrs. John Ridge, and after her return to Louisville she was taken ill. Miss Holtzclaw was moved from her home to an infirmary, where every attention was given to restore her to health, and her death came as a great shock and loss to her family and friends. Miss Holtzclaw was a beautiful young woman, just in her twenty-third year. She was a blonde and greatly admired here for beauty and gracious disposition. Her death is a particularly sad one as she was engaged to be married and her wedding had been arranged to take place in June.

Mr. and Mrs. Ridge went to Louisville Sunday to attend the funeral.

Death Of Mrs. J. L. Cashman.

Maria Susan Tabor was born near the present site of Garfield, Ky., Oct. 25th, 1837, was married Nov. 23rd, 1856, died March 1st, 1908.

Mrs. Cashman had professed faith in Christ at the age of 15 years and joined the Baptist church at Hickory Creek Church, Fayette County, Ill. Later in life had united with the Methodist church at Union Star, Ky., where she lived a consistent member until death. Her funeral services took place March 3rd., at 2 P. M., at the altar of Union Star church, concluded at the Village Cemetery, Union Star, Rev. F. R. Roberts, officiating, assisted by Rev. L. C. Argabright.

Truly another good woman has fallen a victim to death, we trust that she is a victor over death, the world and sin, by faith which is Christ our Lord.

Sister Cashman leaves a husband, six children, two sisters and a brother to mourn her departure. Sister Cashman represents a very large train of relatives on this and on the other side of the Jordan of Death. May they all so have lived that they may have a safe and a happy union in the world above.

CAN'T BE SEPARATED.

Some Cloverport People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health. Doan's Kidney Pills make strong, healthy kidneys. Elvin C. West, living on Main & Ross Street, Elizabethtown, Ky., says: "Since I gave a statement recommending Doan's Kidney Pills on April 1908 I have never failed to advise their use at every opportunity as they cured me of kidney complaint when other remedies failed. I was troubled at times with backache which was so severe that I could hardly attend to my work and going, lifting or any over-exertion would cause sharp twinges of pain. My kidneys finally became disordered and secretions were irregular and unnatural in appearance. Doan's Kidney Pills were recommended to me and I prepared a box. They quickly cured me the trouble and I am happy to say that during the last few years there has

not been the slightest recurrence of the trouble." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

WHY SOME MEN GET TO BE BOSSES.

In a brilliant speech delivered to the Central Railway Club at
Buffalo and published in the Railway World, George A. Post told
some true and wholesome things about the American industrial bosses.
These men have become bosses because they were not afraid to do
more work than other fellows getting the same pay, because they
smiled while others grunted, because they lifted while others leaned,
because they looked up, not down, and sought instead of shirking re-
sponsibility. There was a station agent, said Mr. Post, named New-
man, at Shreveport, La., a number of years ago. Shreveport is still
there, but Newman isn't. He is now president of the New York
Central. There was a brakeman on a railroad in the Northwest
named Underwood, but he is president of the Erie now. Mellen of
the New Haven was once a cashier's clerk on a little New Hampshire
road. Brown of the New York Central used to be a section hand.
Baer of the reading was a printer's devil. Finley of the Southern
used to be a stenographer, and McCrea of the Pennsylvania rose from
a rodmann in the engineer corps. Mr. Post argued that these men
became bosses in the right way, by reason of their willingness to work
hard and their ambition to attain success. He argued further that
they are altogether better and broader men for the success which they
have gained, and the world itself is better because they have become
bosses. Then he went on to say: "No amount of the Utopian propa-
ganda or socialistic sophistry can ever change the eternal fact that
the higher intelligence will be dominant over the lesser, energy will
win over indolence, thrift will accumulate more than improvidence
and courage will conquer where cowardice fails."—Wall Street
Journal.

Mr. Newman, referred to in this article, is the same boy who
was born out here near Cloverport, on what some people would call a
poor farm. He got his inspiration right out there. The little farm
wasn't big enough and he branched out. There are just as many op-
portunities for the boys of Breckenridge now as there were then.
There is always room at the top for the boy that is willing and know-
how.

We have learned something recently regarding Mr. Taft's history
as a public servant that has changed our opinion as to his fitness for
the Republican nomination for President. We were inclined to be
for Gov. Hughes, who has made a splendid Governor of New York
State, but aside from this he is without experience. Mr. Taft is
thoroughly equipped from the ground up, having had the experience
and is thoroughly in touch and accord with the Roosevelt policies.
Besides Mr. Taft is one of the best lawyers in the country, which is a
necessary adjunct to the high position of Chief Magistrate. Mr. Taft
is a poor man. While he has held a public office since he was eigh-
teen years of age, he has not accumulated any of this world's goods.
There is no graft in his make-up. He is a thorough American and a
statesman, and would make a better President even than Mr. Roose-
velt. Breckenridge county Republicans should send a solid Taft de-
legation to the State Convention.

During the last week many have paid several dollars on past du-
bscriptions, and it is very gratifying to us to have our old sub-
scribers come to us and cheerfully pay the debt they have carelessly
neglected. Besides our good collections we have received a number
of new subscribers, having received ten Saturday. The fact that
people are more interested in their home paper is becoming clearly
evident every day. Why shouldn't they be? It is the reflection of
their own lives, the thoughts of their own friends and the cream of
the world's news. Subscribe for your home paper and work for its
interests, because it is not the editor's publication alone, but it is
yours also.

We have heard of a good many "Night Rider" notices being
posted at different points in this county, but we have not been able to
locate one or see the man who got the notices or saw one of them.
There is a whole lot of idle talk along this line that should be sup-
pressed. The last said the better for all. Don't put up any of these
pretenses for a joke. It has ceased to be a joke, but a condition that
confronts us. We believe there is not a man—nor any body of men
—in this county who would take advantage of the darkness or a mask
to injure his neighbor. Let us all be considerate. It is no time for
playing jokes.

"There is more ground broken in this county up to the present
time than has been in ten years before," said a well known farmer to
the News. He said the farmers were in better shape with their spring
work and doing more than he had ever seen them.

The crop of spring lambs was never better.

The wheat crop is looking fine.

There is more catarrh in this section of
the country than all other diseases put together,
and until the last few years was supposed to
be incurable. For a great many years it was
pronounced in a local disease and prescribed
local remedies, and by constantly failing to
cure with local treatment, pronounced in-
curable. Science has proven catarrh to be a
constitutional disease and therefore requires
constitutional treatment. Hall's Catarrh
Cure, manufactured by F. J. Cheney & Co.,
Toledo, Ohio, is the only constitutional cure
for the mucous. It is taken systemically in
doses from 10 drops to a teaspoonful. It acts
directly on the blood and mucous surfaces of
the system. They offer one hundred dollars
for any case it fails to cure. Send for
circulars and testimonials.

ED. F. ALEXANDER, Irvington, Ky.

Dies in Oklahoma.

Raymond, Ky., March 23.—[Special]
On Friday evening, February 21, 1908,
at 2:30, the spirit of Mrs. C. M. Rob-
lin took his flight from this world back to
him who gave it. Before marriage she
was Miss Nettie Cashman, daughter of
Leonard Cashman, d. ceased. She was
married to Mack Robbins, of this county,
December 29, 1897.

About seven years ago they moved to
Brazil, Ind., and about three and one-
half years ago went from there to Okla-
homa, where she lived at the time of
her death. On last September she was
called here to the bedside of her father,
and after his death she left for her
home at Oshusky, Oklahoma. She had
not had good health for several years,
and had been sick ever since she went
home from Kentucky. No one thought
her dangerously ill until just a few days
before her death, which was caused by
a tumor.

She was born November 1, 1871, being
36 years old at the time of her death.
When quite young she professed faith
in Christ and joined the Baptist church
at this place. She lived a true and con-
sistent member until death. She had
taught in the public schools of this
county.

On the Sunday following her death,
after a song, "We'll Never Say Goodbye
in Heaven," and prayer, she was laid to
rest about two miles of where she lived.
She leaves a husband, mother and
four brothers to weep for her while she
is not dead, but gone on before to a
brighter world, to meet a father, two
brothers and one sister, who had pre-
ceded her there.

The writer greatly sympathizes with
the aged mother and dear companion in
their great loss.
Nettie, "I had to give thee up,
But sweet to know you had bright hopes
In a world more bright than this.

Be careful about that little cough.
Get something right away; some good,
reliable remedy that will move the
bowels. Kennedy's Laxative Cough
Syrup acts gently yet promptly on the
bowels and allays inflammation at the
same time. It is pleasant to take and
especially recommended for children, as
it tastes nearly as good as maple sugar.
Sold by all druggists.

Interesting Magazine and Complete Grammar.

"We ain't got no education, and dat
ain't all, we ain't a wadin' none," is
seldom heard now, for the opportunities
to learn are so great and given in such
an interesting way that one wants an
education and cannot resist it. At least
that is the way "Correct English," a
splendid magazine, appeals to everyone,
and the editor has just issued a grammar
that offers much help to those who are
seeking perfect English.

Renews Subscription.

Norvin Chancellor, of Tar Fork, was
in the city Wednesday and renewed his
subscription to the News. Mr. Chan-
cellor says the farmers about Tar Fork
have each decided to put in 2 1/2 acres of
tobacco for next year's crop. The peo-
ple of the Tar Fork neighborhood are
all thrifty and there is no evidence that
the panic has been within their gates.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefore leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and agitated that I could not get out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle, and am gaining all the sleep I can do down and sleep like a child, and am able to do my work."

MRS. MAY SCOTT, English, Ind.

Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

How many American women in lonely homes to-day long for this blessing to come into their lives, and to be able to utter these words, but because of some minor derangement this happiness is denied them.

"Besides being an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequalled as a cure for croup," says Harry Wilson, of Waverletown, Ind. When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by Severs' Drug Co.

A Progressive Young Farmer.

Harry Bell, a progressive young farmer of Meigs County, thinks he holds the record on lambs so far this season. He has on the farm near Guston 66 of the prettiest little lambs ever raised.

All in their feet lively and playful as kittens, dropped from a ewe. Harry is a very good of them and nurses them like babies night and day.

He also has 15 head of fine young mules and a lot of cattle, plenty of hay, corn and grass to feed them on. Every thing looks good in his place. Order, system and saving is his way, and it brings results. J. D. Durbin, who has been with him for several years, knows how to do things, it is not afraid to do them, and Mr. Bell's success is largely due to his good work and management.

It makes a fellow feel good, and, feel like he would like to be a farmer himself, to go over Mr. Bell's place and see how he makes everything count. There should be more young farmers like Harry Bell.

"Generally debilitated for years. Had sick headaches, lacked ambition, was worn-out and ill-run-down. Burdock's Blood Bitters made me a well woman."

Mrs. Chas. Freitoy, Moccasin, Conn.

RAYMOND.

Harri-on Ashcraft has moved his saw mill from here to the farm of Henry Bigham, near Clifton Mills.

Jerry Bigham had the misfortune to lose his pocketbook one day last week. It had about forty dollars in it and has not been found.

Mrs. H. W. Cushman lost her horse, old Maud, on last Tuesday. She has been a good and faithful animal and was nearly twenty-three years old.

J. R. Norton and wife spent Sunday with Mr. and Mrs. Roscoe Norton, of Frymire.

Mr. and Mrs. Walter Chesnut moved on J. E. Mercer's farm last week and will raise a crop there this year.

A Sunday-school was organized at this place last Sunday with the following officers and teachers: Carlton Atter, superintendent; S. A. Stiff, assistant; and treasurer: Miss Mary Mercer, organist; Mrs. E. A. Cushman, Misses Cordelia and Mary Cushman and Mrs. Glen Macy as teachers.

Mr. and Mrs. Oral Croom visited Mr. and Mrs. Ezra Luman, near Union Star, Sunday.

Mr. and Mrs. Chas. Boyinger have returned to their home at Boyeville after spending a few days at Sam Atter's.

Precator Knott and family spent Sunday at Robert Norton's, of Lodiburg.

Miss Mary Mercer returned home Saturday after a several days stay with her aunt, Mrs. J. F. Claycomb, of Irvington.

Walter Gray, of Brandenburg, visited his wife Saturday and Sunday. Mrs. Gray is spending some time with her grandmother, Mrs. Alex Hendry.

Women as Well as Men

Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, if when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail, if you desire, all pamphlet-free.

None of Swamp-Root, if you have it, is all about it, including many of the testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and enclose this paper.

Don't make any mistake but remember the name Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., is on every bottle.

AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy
Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

A Remedy for the Grip.
Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peru-na in the treatment of the numerous symptoms of the grip with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula.
"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite.
"I therefore feel much encouraged that I am on the road to complete restoration.
"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peru-na from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.

Gen. M. G. Butler, of South Carolina, writes from Washington, D. C., as follows:
"I can recommend Peru-na for dyspepsia and stomach trouble.
"I have been using your medicine for a short period and I feel very much relieved.
"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.

Chas. W. Bowman, 1st Lieut. and Adj., 4th M. S. M. Cav. Vol., writes from Lanham, Md., as follows:
"Though somewhat averse to patent medicines, and still more to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative powers of Peru-na.
"I have been particularly benefited by its use for colds in the head and throat.
"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions.
"I use it as a preventive whenever threatened with an attack.
"Members of my family also use it for like ailments.
"We are recommending it to our friends."

GEN. KIRBY

Recommends Pe-ru-na to the Afflicted.

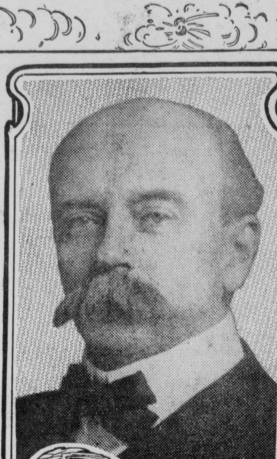

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peru-na, as follows:
"Friends of mine having used your Peru-na catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

Pe-ru-na in Tablet Form.

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peru-na tablets, which represent the medicinal ingredients of Peru-na. Each tablet is equivalent to one average dose of Peru-na.

For Catarrh of the Stomach.

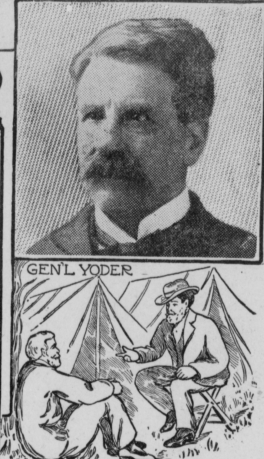

Gen. W. W. Duffield, Washington, D. C., writes:
"I have used Peru-na in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

Gen. A. M. Legg

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:
"I take pleasure in endorsing the many recommendations I have heard and read of Peru-na, because of having had knowledge of the truth of so many of them.
"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them.
"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?
"My own little personal experience of being relieved of deafness, caused by a case of catarrh, warrants me in advising all the afflicted to just try Peru-na."

GEN. YODER

Used Pe-ru-na—Satisfied As to Its Merits—Recommends it to All Sufferers.

Gen. S. S. Yoder, 205 Md. Ave., N. E., Washington, D. C., writes:
"I desire to say that I have found Peru-na to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

For Kidney Trouble, Coughs, Colds and Catarrh.

Gen. A. T. Hawley, 1326 25th St., N. W., Washington, D. C., writes:
"I have used Peru-na and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrh trouble."

Convinced of Pe-ru-na's Merit.

Brig. Gen. J. Floyd King, Washington, D. C., writes:
"I enthusiastically state that I am convinced Peru-na is a medicine which will effect all that is claimed for it.
"These desirous of obtaining special directions with regard to the use of Peru-na should write to Dr. S. R. Hartman, President of the Hartman Sanitarium, Columbus, Ohio."

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Henry, National Chaplain, V. U. T., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Q. Master General State of Texas, G. A. R., writes from 1700 First street, N. E., Washington, D. C., as follows:
"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms.
"Some members of my own family have used it with most gratifying results.
"When other remedies failed, Peru-na proved most efficacious and I cheerfully certify to its curative excellence."

Pe-ru-na, a Standard Treatment For Catarrhal Diseases.

Mr. John C. Nelson, Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking various remedies, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases.
"At my request you prescribed a special course of the Peru-na remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 60 years.
"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peru-na remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

Enjoys Renewed Health and Strength.

James J. Osborn, 623 Wahatch Ave., Colorado Springs, Colo., has filled all the positions in Knight Templars Masonic Order, was a Mason since 1860, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:
"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good.
"Reading of the many cures performed by Peru-na, I decided to try a bottle. Before I had taken many doses I felt better.
"I took it as directed for two months when I was a well man."

Night Riders Play Their First Game in Breckenridge.

No little excitement was caused at Mitchell, on the Henderson Route branch, Monday, when the employees of the L. H. & N. L. work train were surprised at a notice from the night riders saying that they must not allow negroes to work there, and further no if they did that they must leave by six o'clock that evening. The railroad company sent armed men to protect their employees, but when they got there every negro had left.
The work train was d. delivering the steel for the new Madisonville road.

Parsley Sauce for Croquettes.

Pick your parsley over carefully leaf by leaf and wash thoroughly in several waters to rid it of any insects or particles of dirt that may adhere. Into one-half pint of boiling water add one teaspoonful of salt; boil parsley ten minutes; drain, rinse fine. Place in stew kettle one-half pound of butter, when melted, add one tablespoonful of flour to cream, then add one pint of milk and let it come to boiling point. Serve hot. This is also a nice sauce for mackerel.
